1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest the combination of a bistable pair of transistors with both transistors connected directly between a reset switch and a node, a vertical latch including a first transistor and a second transistor, each of said first transistor and said second transistor having a control terminal, a first non-control terminal, and a second non-control terminal, said control terminal of said first transistor connected directly to said first non-control terminal of said second transistor at said first port, said control terminal of said second transistor connected directly to said first non-control terminal of said first transistor, and said second non-control terminal of said first transistor connected directly to said node as called for in claim 1. Therefore, claims 1-6 are presently allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T. Lam whose telephone number is 571-272-1744. The examiner can normally be reached on Monday to Friday (7:30 am to 6:00pm).
